Application Guide: Subdivision | Condominium Approval | Condominium Exemption
under Section 51 of the Planning Act

PLEASE READ CAREFULLY BEFORE COMPLETING THE ATTACHED APPLICATION FORM.

The attached application form is to be used only when applying to the County of Oxford for subdivision/condominium approval or an exemption from the draft condominium plan process. The applicant is advised to approach the County of Oxford Community Planning Office for Official Plan, Zoning and Provincial Planning Statement information prior to making a formal application.

A. COMPLETING THE APPLICATION

1. Pre-consultation on applications for draft plan of subdivision/condominium is strongly encouraged prior to the completion of the application and supporting studies. The pre-consultation session is free of charge and will assist the applicant in determining whether additional planning applications are required as well as what studies, reports or materials are required to support a complete application. Please contact the Community Planning Office to arrange a pre-consultation session.
2. The attached application form must be fully completed for submission. Two copies of all required supporting documentation (reports, studies, analysis) must also be submitted along with a digital file of all supporting documents in .pdf format. In addition, the applicant should retain a completed copy of the application for their records.
3. The application shall be completed by the property owner or their authorized agent. Where the application is being made by an agent, the written authorization of the owner shall accompany the application. For convenience, an authorization form has been included in the attached application.
4. It is the responsibility of the owner to research and evaluate the site and the proposal to ensure that the development will be consistent with the Provincial Planning Statement and ensure the health, safety and welfare of the future residents or employees, as the case may be. Sufficient studies for the completion of the application should be carried out prior to submission for approval, and should be referenced on the application form. This information will assist in a comprehensive assessment of the application. If further studies are required, the applicant will be notified. If the application or the draft plans are incomplete or inaccurate, the application material will be returned for completion, correction or clarification prior to processing.

B. DRAFT PLANS

1. All applications for draft plan approval or exemption must be accompanied by two (2) full size FOLDED copies of the draft plan drawn to scale, with boundaries certified by an Ontario Land Surveyor. In addition, a reduced copy no larger than 11" x 17", a digital file in 'pdf' and an 'e-transmit CAD file' format are required. If further copies are needed, the applicant will be notified.
2. The draft plans must indicate all items as required by Section 51(17) of The Planning Act, available on-line at:

Any required peer reviews of the application materials will also be undertaken.
3. After an evaluation of the plan and application materials, a report will be prepared with a recommendation to the approval authority. Conditions will be imposed through the granting of draft plan approval.
4. Public Notice will be given for the statutory public meeting of the approval authority, in accordance with prescribed requirements. In Oxford County, it is customary to hold a public meeting in the area municipality prior to the statutory public meeting of County Council. Attendance by the applicant at both meetings is advised.
